

Responsibilities and Organization Chart Director of the Stanford Linear Accelerator Center

The Director of the Stanford Linear Accelerator Center (SLAC) is responsible to the President of the University for the administration and operation of the Linear Accelerator Center. In addition, the Director of SLAC is responsible to the Provost for academic matters. In conjunction with other University officers, the SLAC Director represents the University in its interactions with the Department of Energy. The Director is concerned with long-range planning for the scientific mission, physical facilities, and financial operations of the Center.
